Different study techniques based on MBTI Enneagram Test

Audrey Scott

Different study types based on MBTI Personality Test results

Audrey Scott

Study types that work with learning disabilities

Audrey Scott

Make a list of study types

Audrey Scott

Techniques for specific subjects

Audrey Scott

SOLUTION DESIGN

Create a website

Audrey Scott

start page gives option of quiz, study descriptions, and study forum

Audrey Scott

Make the users take a quiz that gives a list of study techniques based on answers.

Audrey Scott

Give descriptions of each type of study method

Audrey Scott

Relatively simple interface for website

Audrey Scott

Types of questions have answers from strongly agree to strongly disagree

Audrey Scott

How hard would it be to code this?

Audrey Scott

SITE MAINTENANCE

How to update website based on responses (Periodically?)

Audrey Scott

Get users opportunity to review how the study method recommended worked for them

Audrey Scott

If new study techniques are created how would they be added?

Audrey Scott

What happens if there is a bad review?

Audrey Scott

CREATING COMMUNITY

Maybe?
A forum of some sort that people can use to share their personal study tips

Audrey Scott

Place restrictions on forum topics so they stay on task/safe

Audrey Scott

make forum topics based on class subjects and/or study techniques

Audrey Scott

SHARING SOLUTION

Have links to study websites (ex: quizlet)

Audrey Scott

Partner with schools to have them promote the site to their students

Audrey Scott

Make a page of the site geared toward younger students (middle school) so they can learn the different study types

Audrey Scott

Could the site also be promoted to high school teachers/counselors?

Audrey Scott
